Dear Denise,

It is a pleasure to have this opportunity to greet you as you come together for your Sixth Annual Multi-Cultural Celebration of Life Awards Dinner. I wish I were able to be with you on this special evening.

I commend you and the many others present for your work on multi-cultural alcohol, tobacco, and other drug education, prevention, intervention and treatment. Through your efforts, you are making a tremendous difference.

You have my best wishes for a successful event.

Sincerely,
